MEMORIES

BRUNO FABBRIS

NORMAL

MAGAZINE

Photographer **Bruno FABBRIS**, after several years of creative work, publishes his book MEMORIES. The often-postponed project finally sees the light of day with the collaboration of **Editions NORMAL**. It brings together a selection of his most personal images, as well as the collection series.
His vision of the body is the fruit of a constant search for the emotion provoked by the image of his subject, whether in his compositions, in a portrait or in a simple, natural nude.
In a sober, even monochromatic harmony, he creates his images by playing with materials and skin, to the point of becoming graphic with the tattoo series.

Only 30 collector's boxes available
*(With a **signed** art print)*
